Welcome to our **stupendously funky** and **meticulously crafted** core drinks menu. Before you go any further, please accept our **sincere apologies** in advance if something that takes your fancy is not in stock. We do everything we can to keep a **full stock** of our range, but there are occasions where we simply can not get the **distribution**, or a brewer / producer pauses or ceases a product altogether without giving notice ... also please accept our apologies if you find our '**dad**' jokes a bit too cringey, but we (well some of us) love them!

So, to '**our story**' ... When we first started planning **Diego's Joint**, way back in 2018, what our selection of **beers** would ultimately be was immediately at the forefront of our minds. **Our vision** was to stock a **wide range** of products from a **carefully selected** range of cool craft brewers, brewing beers that taste great alongside having a **social purpose, great branding**, or ideally both! This principle quickly extended to producers of wines, spirits, softs, teas and coffees. Fast forward to us finally launching in 2022 and we're very happy with our choices of **17 core partnerships**, including **10 amazing breweries**. We hope we've catered for the tastes of every **craft aficionado** as well as our tea totallers and those whose preferred tipples come in different forms

The banner is set against a background of various logos, including 'BELU', 'SEA CHANGE', 'JUBEL', 'TOAST', 'Brewgooder', 'TAP SOCIAL', 'ASCENSION', 'LERVIG', and 'AUX'. The logos are arranged in a repeating pattern, creating a collage effect.

WHAT'S YOUR STORY?

VAUX HAS BEEN A BELOVED NAME IN SUNDERLAND FOR ALMOST 200 YEARS.

VAUX

From the earliest incarnation of 'C. VAUX & SONS' in 1837 right through to the 1990s. The brewery was an important part of city life in Sunderland until its closure in 1999. Having relaunched this iconic brand in 2019, the new owners opened a brewery & taproom in 2021.

DIEGO'S JOINT IS PROUD TO SUPPORT THIS BREWER, LOCATED A MERE MILE AWAY FROM US!

OUT OF THIS WORLD BEER. DRANK ON EARTH!

Over 10 years ago, something crash landed in the kitchen of a North London grill joint and Beavertown was born in **BBQ SAUCE AND GAMMA-RAYS.**

Soon, they were humbly brewing great beers for everyone - made to be enjoyed anywhere in the universe, on earth...or even your mate **DIEGO'S GARDEN.**

We love this brand and most importantly, the beers themselves are amazeballs!

BEAVERTOWN

Tiny Rebel do this by creating beers that will capture your **imagination** and **defy your senses.** When they're not making awesome beer with phenomenal can designs and names, **they're busy brewing up plans to better the community as well as the planet.**

LOVE IT!

THEY ARE CRAZY ABOUT BEER, HOWEVER CONSERVATION AND ENVIRONMENTALISM ARE THE CORE OF WHO THEY ARE.

They believe it is essential that we come together and combat the greatest threat to our generation: the climate crisis and species decline. It is also **ESSENTIAL TO FAUNA** that your funds go to the right causes, which

is why they have carefully hand-selected three incredible partners who they believe are making a real difference to the conservation scene.

JUBEL

A BEER FOR DRINKING

to the before and making a moment out of the after.

BEER DONE DIFFERENTLY flows as a mindset from impact to culture to taste.

IT SHAPES HOW JUBEL THINKS ABOUT OUR PLANET, people, and their product. They want to get this right from the start and not have to look back in the future and regret the damage done in the past.

A vision to create a **TRULY ETHICAL BUSINESS** and an exceptional portfolio of spirits and liqueurs.

GORILLA SPIRITS CO.'S DISTILLERY MAKES A SMALL-BATCH, AWARD-WINNING SPIRITS ALL WHILE DONATING £1 TO THE GORILLA ORGANISATION FOR EVERY BOTTLE THEY SELL.

They are proud of their products and proud of the contribution they make to saving the endangered gorilla population.

LIKE MEDIA SAVVY AND DIEGO'S JOINT, they are a family-style team... all focused on the mission of distilling, bottling, finishing, distributing and marketing Gorilla Spirits Co.

They utilise apples that have been dismissed by supermarkets for not being pretty enough. **THANKFULLY, THEY'RE NOT THAT SHALLOW.**

Due to the varieties of our apples changing, so does the taste of their cider. They don't use any extra sugars or acids to adjust what nature gives them, preferring to just roll with it. Of course, they will always make sure that the cider is darned delicious.

THEY LOVE THE ALCHEMY THAT CIDER MAKING BRINGS, AND LOVE TO EXPERIMENT, be it infusing different fruits or herbs, steeping spices, or using different strains of yeasts and bacteria. They're always trialling new methods, infusions and techniques. **WE LOVE EVERYTHING THIS COMPANY REPRESENTS!**

CREATED AFTER THE TOWNSPEOPLE REVOLTED AND BOUGHT BACK THEIR TOWN'S OLD BREWERY, after a big brewery had bought it and closed it down. Their reputation now precedes them with every beer they make being held up as examples of the style. Known for bold tastes and consistency of their brews, Lervig are making craft beer for the masses not just the uber beer geeks.

BELU

MADE WITH WATER AND ETHICS

Belu is a drinks business that **PUTS PEOPLE AND THE ENVIRONMENT FIRST.** They are committed to delivering incredible drinks, whilst giving the conscious consumer the choice to build a better world through their buying decisions. They invest profits in putting the environment first and transforming lives: by investing in initiatives that benefit our planet and by giving all their net profit to WaterAid. **WHAT'S NOT TO LOVE!?**

STRIVING TO CHANGE THE WAY THE WORLD SEES WATER.

DRIVEN BY FLAVOUR, BY THE DESIRE FOR AUTHENTICITY, AND THE DEMAND FOR MORE CHOICE AND MORE TASTE IN SOFT DRINKS.

SODA FOLK is on a mission to introduce soda drinkers to a world full of flavours that are authentic, honest and true to their roots. Flavours that are versatile, comfortably familiar but uncommonly different and free from artificial preservatives or sweeteners.

They strive to be good, to stay honest to their roots and to challenge others to choose the authentic. It's why their fans decide the flavours that they develop and bring to market.

WE LOVE THAT MODEL... AND THE DRINKS!

FOUNDED ON A BELIEF THAT THE BEER WE ENJOY TOGETHER CAN BE A FORCE FOR GOOD.

Since day one, every Brewgooder beer has been brewed on purpose: to create waves of people-positive change. Through this commitment their drinkers know that with every sip, they are **HELPING TO EMPOWER THE LIVES OF OTHERS.**

Brewgooder believe water access should be a fundamental human right, yet almost a billion people on our planet are without it. Their community of drinkers are helping to change this.

Brewgooder

THEY BELIEVE THAT SOMETHING AS FRIVOLOUS AS A FIZZY DRINK CAN BE A FORCE FOR GOOD.

They are a sustainable and ethically conscious, plastic free, social enterprise, organic and fairtrade development organisation.

THAT'S WHY THEY CALL IT KARMA COLA, AND THAT'S WHY WE DIG IT!

Karma Cola does something no other cola does. It not only looks good and tastes good, it does good. Money from the sale of every bottle of Karma Cola (and their other flavours) goes back to the people who grow the stuff in West Africa.

TOAST
HERE'S TO CHANGE

By using surplus bread to replace barley, they use less land, water and energy, and avoid carbon emissions.

By giving **ALL PROFITS TO CHARITY,** not shareholders, they fund systemic change to fix the food system. By brewing quality beers and engaging people in conversation, they nudge positive action for the planet. **NUFF SAID!**

TAP SOCIAL
CRIMINALLY GOOD BEER

Tap Social grew out of a **PASSION FOR GOOD BEER AND SOCIAL JUSTICE.**

They are a craft brewery and hospitality organisation that **CREATES EMPLOYMENT AND TRAINING FOR EX-OFFENDERS** because they believe that **EVERYONE BENEFITS WHEN NO-ONE IS EXCLUDED** from the job market.

Tap Social Movement was founded in an attempt to **STOP THIS VICIOUS CYCLE** by **PROVIDING OPPORTUNITIES** which set people up for **LONG-TERM FULFILLING EMPLOYMENT.**
